[Verse 1]

When I woke up this morning, a flood washed over me  
Fear grasp my heart, I struggled just to breathe  
So I opened my Bible, took some time to read  
And in His Word, I found this promise for me

[Chorus 1]

When you pass through deep waters, I will be with you.  
And through the rivers, they shall not overwhelm you.

[Verse 2]

My phone just dinged to let me know, a text had been received  
A friend said she had heard a verse, it made her think about me  
The verse she had heard was the same one that I read  
Then I realized, God was speaking to me

[Chorus 1]

[Verse 3]

Sat there in my chair and reflected on the day  
And as I prayed about my morning, the fear just melted away  
I felt a peace so calm and still, the Spirit must be near  
Then I thought I heard Him whisper to me

[Chorus 1]

[Bridge]

When you walk through the fire, you shall not be burned  
And the flame shall not consume you.  
Fear not for I have redeemed you  
I have called you by your name  
You are Mine, you are mine, I love you, you are mine,  
Fear not for I am with you

[Ending]

When you pass through deep waters, I will be with you.  
And through the rivers, they shall not overwhelm you.
