[Verse 1]

On those days when trials come, when all you can do is watch and pray,  
Don't be afraid His promise is true, He'll be with you every step of the way.

[Chorus 1]

Oh our God He can see every trial we go through, our path He has already laid,  
He'll be there when you cry and He'll take your hand, and lead you every step of the way.

[Bridge]

Take me hold me Jesus mold me, for Your work divine.  
Take me hold me Jesus mold me, for Your work divine.

[Verse 2]

When morning breaks each day I arise to sing Your praise, Your Spirit guides my heart in every way,  
I think of all you've done through Jesus Christ your Son, and you lead me every step of the way.

[Chorus 2]

Mold my heart take my life I surrender to you, for the path that You've have already lain,  
Please be there when I pray to guide my heart, and lead me every step of the way.

[Ending]

Mold my heart take my life I surrender to you, for the path that You've already lain,  
Please be there when I pray to guide my heart, and lead me every step of the way,  
and lead me every step of the way, and lead me every step of Your way.
