

The Day Christ Arose

Verse 1

God sent His Son to die on the tree, the lost, to save and redeem.
The sin that He bore, He took it from me, the day He led me to believe.

Chorus

Mercy showed and grace overflowed, the day He bled and died on Calvary.
Freely we're saved by the life that He gave, the day Christ arose from the grave.

Verse 2

Death fled away, the grave could not contain, the morning He rose that first day.
It's life that He gives, the hope we will live with Jesus our Savior one day.

Chorus

Mercy showed and grace overflowed, the day He bled and died on Calvary.
Freely we're saved by the life that He gave, the day Christ arose from the grave.

Bridge

There He lay three days in a grave, waiting the time He arose men to save.
Freed then were we from sin's penalty, when Jesus arose on that day.

Chorus

Mercy showed and grace overflowed, the day He bled and died on Calvary.
Freely we're saved by the life that He gave, the day Christ arose from the grave.

Refrain

Freely we're saved by the life that He gave, the day Christ arose from the grave.
